Fee Schedule - Handler, Non-Processing Handler, Retail Establishment, Producer-Handler (Crop/Livestock)

(continued)

¹ When a "sale" occurs with no money exchanged, such as a trade or barter, use the fair market value of the commodity to determine the dollar value to be included in your annual organic sales. Insurance proceeds must be incorporated into your gross organic sales total.

² Calculate income earned from organic services provided and/or organic processed products sold. Deduct the cost of any organic ingredients purchased and/or used in the final processed product to determine your adjusted gross income. Do not deduct the cost or value of items -- such as, purchase of seeds and/or inputs, payment for labor, transportation, slaughter services, marketing, custom harvest, or other post-harvest expenses.

³ A nonrefundable inspection *base fee* is included in your annual certification fees. If the cost of your inspection exceeds the inspection base fee, you will be billed for the balance after your inspection. The *total* cost of inspection includes administrative services, professional fees, and travel expenses.

⁴ Quarterly payments are due 4/1, 7/1, 10/1 and 12/31 and includes a \$6 per quarter processing fee.

Uncertified Applicants must pay in full with your application.

Actively certified operations transferring from another certification agency or actively certified MOSA operations that are moving and certifying at a new location must pay in full and use the tier system to determine fees.

Fees for uncertified and updating retail establishment, per location (tiers do not apply):

- **Certified departments totaling less than 7,500 sq. ft.:** \$1150 certification fee + \$450 inspection deposit = \$1600.
- **Certified departments totaling 7,500 sq. ft. to 18,000 sq. ft.:** \$1900 cert. fee + \$450 inspection deposit = \$2350.
- **Certified departments totaling greater than 18,000 sq. ft.:** \$2900 cert. fee + \$450 inspection deposit = \$3350

Fees for Non-Processing Handlers (operations such as brokers, traders, wholesalers, brand holders, distributors, importers or exporters of organic products that do not process, repack (combine or split), label, relabel or apply any substance to organic products) – see NOS section 205.101):

- **Uncertified applicants** - The uncertified applicant rate of \$1600 for year one on the fee schedule applies to uncertified Non-Processing Handlers .
- **Certified Non-Processing Handlers** - first divide your adjusted gross organic sales or income earned or from organic services or value of services by 5 (or multiply by .2), then use that number to determine the certification fee according to the tiers on page 1. Add the \$450 inspection deposit to determine the amount to pay in full at application.
