Organic Product(s) supplied \_\_\_\_\_

I hereby affirm that information provided above is accurate. I affirm that, to the best of my knowledge, products identified above which constitute or contribute to products exported to Canada have been produced

- without the use of sodium nitrate (Chilean Nitrate);
- without hydroponic or aeroponic production methods; and
- according to the livestock stocking rates set out on the Canada Organic Regulation (see guidance chart on reverse side of this affirmation).

Furthermore, I authorize my organic certification agency to release information concerning compliance with the applicable requirements of the US-Canada Equivalency Arrangement.
